DETAILED ACTION

This Office action is responsive to the amendment filed on August 08, 2005.

1. Claims 1-2, 6-14, 16, 18 and 21 are allowed and renumbered as 1, 2, 7-11, 4, 3, 5, 12, 13, 14, and 6, respectively.
2. The following is an examiner's statement of reasons for allowance: the prior art taken either singly or in combination fails to anticipate or fairly suggest: a) the limitations of amended claim 1, which include etching two layers "so that the second layer remains closed"; b) an algebraic formula for calculating the width of "the larger features for forming the deep structures", as recited in the amended claim 14; and c) "depositing a metallic material in the smaller and larger structures; and removing excess material not residing substantially within the smaller and larger structures" as recited in the amended claim 18.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
